Learn the game of tennis in a fun and enjoyable atmosphere focusing on fundamental skills including proper grips, footwork, strokes, volleys, and serves. Campers will also learn the rules and etiquette that make tennis such an exciting game to play. We welcome beginners who are new to the game as well as those looking to improve the skillset they already possess. Most importantly, we want our campers to have fun and to love the game of tennis as much as we do.

Coach Ilda Saulic Vuckovic was born on December 8, 1978 in Belgrade, Serbia and began her early education there. She completed her high school studies in Switzerland. At the age of seven Ilda learned the game of tennis and since 1996 she has participated in professional WTA tournaments earning good results including being ranked 816<sup>th</sup> out of over 2500 players from 92 countries which compete in 55 events of the WTA Tour and four Grand Slams in 33 countries. Ilda's role models were Monica Seles and Steffi Graf.

Ilda's early training included participating at tennis camps in both Europe and the United States of America (Bruguera Academy in Barcelona, Spain and John Newcombe Tennis Camps in Texas).

As the mother of a four year old girl who is already showing interest in sports Ilda wants to pass on her knowledge and love for tennis to other children. Adding a premier tennis camp to the Vermont Voltage lineup brings Ilda much excitement and pleasure. Tennis offers a positive effect on mental development building self-confidence, the ability to act under pressure, as well as social skills and many other positive influences.

The tennis school program includes daily playing with professional supervision. The plan and program for each individual is determined in accordance with physical conditioning and maturity. Two sessions will be offered daily Monday-Friday in small groups of up to eight children. 9:00 am - 10:30 am for ages 7-10 and 11:00 am -12:30 pm for ages 11-14. \$99 for first family member and \$89 for additional family members.
