**Volleyball** is one of the top five most popular sports in the world. The sport of volleyball originated in the United States, and is now just beginning to achieve the type of popularity in the U.S. that it has received on a global basis, where it ranks behind only soccer among participation sports.

In 1895, William G. Morgan, an instructor at the Young Men's Christian Association (YMCA) in Holyoke, Mass., decided to blend elements of basketball, baseball, tennis, and handball to create a game for his classes of businessmen which would demand less physical contact than basketball. He created the game of Volleyball (at that time called Mintonette).

The mission of the Volt Volleyball is to promote the sport of Volleyball throughout Southern Vermont, Southeastern New York, and Northwestern Massachusetts and build a supportive, learning environment where athletes can develop their volleyball skills. Volt Volleyball aims to provide our players with the highest level facilities and sporting environment

entertaining time.
