INDOOR SOCCER-FUTSAL

Indoor soccer-Futsal is one of the most popular sports in the world. All outdoor players love to play indoor soccer. Many of the practice sessions during the regular outdoor season are based on the small sided games where players get more touches on the ball and get more involved with the play. Brazil, France, Italy, Spain, Serbia, Holland, and Germany are excellent in tight spaces and have an unbelievable touch on the ball. The reason is simple – indoor soccer-futsal.

The field is simply reduced approximately 30m x 20m with smaller goals (2m x 3m). The game is played 6 vs. 6 (Youth) & 5 vs.5 (adults).

This system ensures maximum participation from each player.
